## Tentang Bulan Bahasa

Sejak 1988, Majlis Bahasa Melayu Singapura telah menganjurkan Bulan Bahasa untuk menggalakkan masyarakat Melayu menggunakan bahasa Melayu dalam kehidupan harian. Sebagai pewaris bahasa dan budaya Melayu, kitalah juga penerus bahasa agar Bahasa dan budaya Melayu kekal relevan dalam setiap generasi masyarakat kita. Pelbagai kegiatan Bulan Bahasa telah dirancang untuk menyediakan suasana bahasa yang menarik minat masyarakat mengambil bahagian dalam kegiatan Bahasa Kebangsaan ini.

### About Bulan Bahasa

*Bulan Bahasa was first launched in 1988 by the Malay Language Council, Singapore, as an initiative to encourage the Malay community to embrace and master the Malay language. Users of Bahasa Melayu are heirs and ambassadors of the rich Malay language, and can ensure its continuity by using the language daily. First created as a biennial event, Bulan Bahasa has become an annual celebration since 2011, supported by community partners and their efforts to promote the language.*

## Tema Bulan Bahasa

Bulan Bahasa 2017 mengajak kita menggunakan bahasa Melayu untuk tujuan meraih dan menyampaikan ilmu, memasyarakatkan kemurnian adab dan budaya serta mengukuhkan jalinan kemesraan sesama kita. Oleh itu, gunakanlah bahasa Melayu agar ilmu dan budaya kita tetap terpelihara dan kemesraan terjalin ketara. Dengan terlestarinya bahasa, dapatlah kita mewariskannya kepada generasi sesudah kita.

### Theme of Bulan Bahasa

*The Malay language as 'Ilmu, Budaya, Mesra' reflects its importance throughout all layers of the society. When we use the Malay language, we are able to preserve the knowledge and culture, as well as foster ties that matter. The Malay language conserved through its continued use, will ensure that it will be passed on to the generations after us.*
